

Agua Special Utility District Request for Cancellation of Water Service.

I, _____, (*Owner* *Tenant*) hereby request that my services be cancelled, my account (_____) be closed, and service at my property located on _____ be disconnected from Agua SUD service. I understand that if I should ever want my service reinstated I may have to reapply for service as a new customer and I may have to pay any fees as indicated in the Agua SUD Rules. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I also understand that these improvements will be at my cost.
